Question #1: Where is the work to be done?

Answer #1: Except for the onsite reviews of SD/MC hospitals, with permission of the DMH, much of the work could be completed in your home.

Question #2: How many contractors do you need?

Answer #2: It depends. There is no promise of work.

Question #3: Do you want one big contractor or multiple smaller contractors?

Answer #3: Multiple smaller contractors. The DMH is looking for contractors that meet the qualification criteria. A big contractor could submit the names/qualifications of multiple staff within their organization. Each name submitted by the big contractor must meet the qualification criteria.

Question #4: How can I find out what the winning bids were for the last LMHP contract?

Answer #4: Submit a request for a release of public document regarding LMHP Contract # 03-73294-000 at:
